Professional performance at any venue.

We are Treeline Aerial — An aerial studio based in the Sea to Sky offering professional, portable, multi-apparatus performances to anyone looking to elevate their summer event.

Our performers bring a wealth of experience in all disciplines, wrapped into a simple package. Let us provide all set up required while you sit back and enjoy.

With full Public Liability Insurance of 5 million, we can easily place your event or venue as an additional insured, giving you the peace of mind you need on event day.
